Our strength lies in our people. Asly Business Setup is powered by experienced business setup consultants, PRO specialists, and compliance advisors with in-depth knowledge of UAE laws and procedures.

We work closely with government authorities, free zone entities, and banking partners to ensure accuracy, speed, and transparency at every stage. Our team doesn't just process documents, we build the framework for your long-term success.

OUR CORE SERVICES

Mainland Company Setup

Establish your business with full access to the UAE market and 100% foreign ownership. We manage all DED approvals, licensing, and compliance requirements.

Free Zone Company Formation

Launch your company with tax benefits, full profit repatriation, and simplified regulations. We help you select the right free zone based on your activity and budget.

Virtual Notary Service

Access fast, secure notarization from anywhere. We manage document verification, attestation, and approvals through fully compliant digital processes, without a need for a physical visit

OUR CORE SERVICES

PRO & Visa Services

From investor visas and employee permits to Golden Visas, our PRO team handles all immigration and government procedures efficiently.

Corporate Banking & VAT Registration

We assist with corporate bank account opening, VAT registration, and UAE Corporate Tax compliance—ensuring your business operates on a strong financial foundation.

External Govt. Department Approvals

We handle approvals from key authorities such as RTA, SIRA, and other regulatory bodies. Our team ensures smooth coordination, accurate documentation, and timely processing
